

Leadership and coaching

The leadership capacity that has to carry the change – education, training and sparring at every level.

Services in this category

- Leadership development
- Executive business coaching
- Workshops and facilitation
- Graduate programmes

CASE

Leadership development in the IT industry

The success story e-conomic keeps growing. That means new middle managers who need training. For the fourth year running we deliver a leadership programme with four modules and 1:1 coaching.

HOW WE DID IT

- Four modules with hands-on leadership tools
- 1:1 coaching between the modules
- Participants' own cases from everyday work
- Follow-up with their direct manager

RESULT

New middle managers get up to speed faster – and stay with the company.

TESTIMONIAL

"It is the best course I have ever attended. It delivers exactly what it promises: you learn something about leadership under pressure."

Construction manager, Christiansen & Essenbæk
